Authorization for Electronic Services

I hereby authorize 123 Lock & Key, Inc. or it's assigned agents to perform an electronic procedure on the Engine Control Module that I will supply to 123 Lock & Key, Inc. This electronic procedure will cause the Engine Control Module that I supply to have the ability to learn new transponder keys without an existing Pre-Registered Master Transponder key.

I also agree to correctly determine the owner of the vehicle and will gain his/her permission to have this procedure done. I will collect his/her Full Name, Address, Telephone Number, License Plate, V.I.N. #, Year, Make and Model.

Disclaimer for Electronic Services

123 Lock & Key, Inc. does not warrant any circuitry in the Engine Control Module supplied to us. No liabilities for any use of the modified Engine Control Module are assumed whatsoever for any costs, claims, or damages filed for or caused by correct or incorrect use of the modified Engine Control Module.

123 Lock & Key, Inc., cannot and is not responsible for any type of damage, intentional or otherwise, caused by the use of the modified Engine Control Module. 123 Lock & Key, Inc., is not responsible for any type of harm, whether physical or otherwise, to the car dealer, parts supplier, locksmith or their customers due to correct or incorrect use of the modified Engine Control Module.
